Description: The ninth installment of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit BBC America television series. A fragile peace reigns in Wessex, Mercia and East Anglia. King Alfred's son Edward and formidable daughter, Aethelflaed,...

Review: This historical fiction is naturally pretty bloody as it covers the period in the future England coveted by many, but mainly Anglo Christians and the Odin & Thor-worshiping Danish (engaged in Viking seizures and occupations of future UK areas of land). The period was about 880-920 AD. Forces were typically sail and oar viking style ships of legend,...
